When paying by check, please make the check payable to **GLRHS** (Great Lakes Region Hosta Society).

You may combine check payments. Please list names and confirmation codes for registrants with your payment.

Please allow at least 3 minutes to receive your registration confirmation. Some confirmations may be sent to your Spam, or other tabs like Promotions, Social, and Updates, depending upon your email account service and set-up. **CHECK THESE OTHER LOCATIONS.**

You may choose up to 5 classes and one lunch. There are 2 Lunch periods, so you may choose one period for lunch and take a class in the other.

If it is not letting you Complete Registration, scroll up until you can find out what information is still needed. It will usually be noted in a red font.
